1. The target date for the completion for the Grossbeeren (N 53/2 73) - Mahlow (N 53/2 83) - Schoenefeld railroad line section has been fixed as 1 May 1951. *

* Comment. This project, designed to serve as a southern rail bypass around the Western Sectors of Berlin, was reported previously.
 The early target date for the completion of the line may have been fixed so that the line will be available for the International Youth Rally to be held in Berlin on Whitsunday.
